## BOOK SYNOPSIS

Three years ago, Alec McClane and Raegan Devereaux lived every parents worst nightmare: their one-year-old daughter, Emma, was abducted from a park when Alec turned his back for just a moment. Emma was never found, and presumed dead. The crushing trauma, plus Alecs unbearable guilt, ended the couples marriage. Now a four-year-old girl matching Emmas profile is found wandering a local park. Alec and Raegan are heartbroken to discover shes not their daughter but are newly motivated to find closure...and each secretly feels desperate to be in the others presence again. Alec suspects his vengeful biological father is behind Emmas disappearance. But as Raegan investigates other abductions in the area, she sees a pattern--and begins to wonder if Emmas kidnapping is actually linked to something more sinister. As Alec and Raegan race to uncover the truth, a long-burning spark rekindles into smoldering passion, and they realize they need each other now more than ever.
