BOOK SYNOPSIS

Gifted Volume 2: Ken, Tracey, Carter by Marilyn Kaye About the Series Meadowbrook Middle School is an ordinary school with ordinary students-except for the Nine. These students look like the others, but they're not. You could call it a skill, a talent or a disadvantage, but each of these students is unique - they're gifted.

FINDERS KEEPERS When Ken has an accident on the football field he starts hearing ghostly voices. It's not something he would have asked for, but it seems there's nothing he can do about it. When he gets an anonymous note inviting him to a séance, he's so convinced by the medium that he wants to tell her his secret. Only his gifted classmates can stop him from pouring his heart out and save him from terrible danger.

NOW YOU SEE ME Tracy and the rest of the Gifted class are getting suspicious that there's a spy in their midst. But who? The chief suspect is queen-of-mean Amanda, who's started acting out of character and volunteering in the school office. Tracey and Jenna join forces—and gifts—to try to find out more. But when mind-reader Jenna is framed for a crime she didn't commit and sent to an institution, Tracey is on her own. Using her ability to become invisible, Tracey searches for answers and finds out more than she bargained for.

SPEAK NO EVIL Nobody knows anything about Carter— not even his real name. For some reason, he's been put in the Gifted class, maybe because no one knows what else to do with him. He never speaks, but the other students suspect that—like them—there's something going on behind Carter's blank stare. What they don't know is that it's something dangerous.
