## **BOOK SYNOPSIS**

The Law of Attraction This book presents the powerful basics of the original Teachings of Abraham. Within these pages, you'll see how all things, wanted and unwanted, are brought to you by this most powerful Law of the Universe: the Law of Attraction (that which is like unto itself, is drawn). You've most likely heard the sayings Like attracts like, Birds of a feather flock together, or It is done unto you as you believe (a belief is only a thought you keep thinking); and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by best-selling authors Esther and Jerry Hicks. Here, you'll learn about the omnipresent Laws that govern this Universe and how to make them work to your advantage. The knowledge that you'll absorb from reading this book will take all the guesswork out of daily living. You'll finally understand just about everything that's happening in your own life, as well as the lives of those you're interacting with. This book will help you joyously be, do, or have anything that you desire! Esther and Jerry Hicks, the authors of Ask and It Is Given and The Amazing Power of Deliberate Intent, produce the leading-edge Abraham-Hicks teachings on the art of allowing our natural Weil-Being to come forth.
