BOOK SYNOPSIS

In the South, a conversation among home cooks can be just about as illuminating as any culinary education. Luckily for Stacey Little, home cooks run in the family. Whether it's fried chicken or pimento cheese, fruit salad or meatloaf, everybody's family does it a little differently. The Southern Bite is a celebration of those traditions and recipes every Southern family is proud to own. It's the Pecan Chicken Salad that's mandatory for every family reunion and the hearty Goulash, so comforting after a long day. It's the Glazed Ham that makes its way to the Easter table every year. If you're lucky enough to hail from the South, you'll no doubt find some familiar favorites from your own family recipe archives, along with a whole slew of surprises from Southern families a lot like yours! There's Turnip Green Dip for your next party, Chicken Corn Chowder for those chilly fall nights, and Cornbread Salad for when you really need to make an impression. No matter what's cooking, Little's goal is the same: to revel in the culinary tradition all Southerners share. These are the recipes that bring us together and the meals our families will cherish for generations to come.
